- Strong computer skills (Microsoft office suite, and internet research)
- Ability to work with diverse groups and individuals
- Experience in facilitating groups of children
- Honest, hardworking and reliable
- Friendly and professional work ethic
- Strong experience in working with children

## **PROFESSIONAL EXPERIENCE**

### **Aspiranet**

*Aspiranet Intervention Specialist*

**September 2010- Present**  
**Salinas, CA**

As an AIS I provide behavioral therapy to children and adults who have autism and developmental disabilities. My duties are to maintain a safe and fun environment for clients. Some of my other responsibilities are completing notes on time, attending meetings, translating and reporting back to social workers and developmental supervisors.

**North Monterey County Park and Recreation**  
*Recreational Leader*

**November 2009- September 2010**  
**Castroville, CA**

Facilitated the child care program. The target groups for the program are girls and boys within the ages 6 to 10 years of age. As a leader I was responsible for actively interacting and taking care of the children. Develop and facilitate children activities to include: visual arts, science, cooking, and physical activities.

**Youth Employment Program/Family and Resource Center**  
*Teacher Assistant/Clerical*

**June 2009-Aug. 2009**  
**Castroville, CA**

Assisted pre-school teacher in taking care of children attending pre-school. My duties were as follows: responsible for the children's safety, prepared meals, and facilitated a variety of different activities. As well, assisted in the office in completing clerical duties as was needed.

## **EDUCATION/TRAINING**

**Hartnell Community College**

**Aug. 2009 to Present**  
**Salinas, CA**

➤ *Sociology*
